

Iowa Whitewater Coalition funding mini-grants for river clean-ups

DES MOINES (July 20, 2009) -- The Iowa Whitewater Coalition today announced the Clean Rivers Team Stewardship Program (CRTSP) -- a mini-grant program to help fund local river clean-up activities across Iowa.

Any community group or organization in Iowa is welcome to apply for a grant from the CRTSP for the purpose of paying expenses related to river clean-up activities. Grants are limited to a maximum of \$500.

Details are available at www.iowawhitewater.org and a Letter of Application may be submitted at any time to Iowa Whitewater Coalition, PO Box 65453, West Des Moines, IA 50265. Questions can be addressed by Peter Komendowski at 319-269-8493.

The CRTSP is a component of the Iowa Whitewater Coalition community outreach in support of river clean-up and dam safety efforts as part of its work to promote, support and improve whitewater courses and water trails by reconnecting the rivers throughout Iowa. Visit www.iowawhitewater.org for information on low-head dam safety presentations and more.
