

2021 IWC Annual Meeting Minutes  
Thursday, February 25, 6PM to 7PM, Total Attendees: 8

The 2021 Annual meeting was a virtual meeting hosted by Peter Komendowski using Zoom. The meeting was split into two segments:

State of the IWC Organization: Dave Hillman gave a summary of the IWC 2020 activities and some of the upcoming 2021 organizational goals/activities. A great discussion on the Ames low head dam mitigation project and the Des Moines water trails/river plans was held with contributions by all the attendees.

2020 IDNR Low Head Dam Year In Review: Glenn Harman gave a presentation covering the 2020 IDNR low head dam mitigation activities with a glimpse into the 2021 possible plans. The presentation will be posted on the IWC website and FB page.
